<b>Short Presentation:</b> The CFP Midi Pyrénées is an Agricole Private institution, under contract with the Ministry of Agriculture. It is managed by a Board of Directors composed of professional representatives. Located in the heart of Gaillac / <i>Gaillacois</i> in a green park of 5 hectares, the Centre for Training and Promotion is an institution operated by local and regional professional organizations. For over 25 years, the C.F.P. based its development on the success of youth and adults, in partnership with businesses, supervisors and community. Ineopole Training is a school that offers training by alternating levels of vocational education. The 320 youth or adults of the Centre are either students in the school under the Ministry of Agriculture, or apprentices or are still trainees of vocational training.
