**Student support:** UCH-CEU does not automatically arrange or guarantee accommodation for incoming Erasmus students. The University itself does not dispose of University Residences and as a result cannot offer lodgings to students. During the first days at the residence, you can look for suitable accommodation in one of the many shared student flats which are on offer around town. Popular neighbourhoods amongst students are Blasco Ibañez, Benimaclet, Campanar and Plaza de España. Student flats are also available in Moncada and Alfara del Patriarca, but students generally prefer to live in the city of Valencia itself because of the wider range of cultural activities, the better sport facilities and the more interesting nightlife.
