

MY ERASMUS EXPERIENCE IN ROMANIA

ANAÏS PIAULT

ABOUT ME

My name is Anaïs Piault, I am 23 years old.

I am a Second Year Accounting Student at IUT d'Amiens in France.

And I went on Erasmus to Pitesti at the University Constantin Brancoveanu in 2026

WHY ROMANIA ?

It was the perfect opportunity
to discover a new country, a
new culture and new people
I wanted to form my own
opinion on Romania
I was looking forward to
exploring Transylvania and
trying the local food

ACADEMIC LIFE

I had multiple classes: Accounting, Finance, Marketing,
English, Romanian...

The classes are very interactive, and student participation
comes naturally which is a positive thing

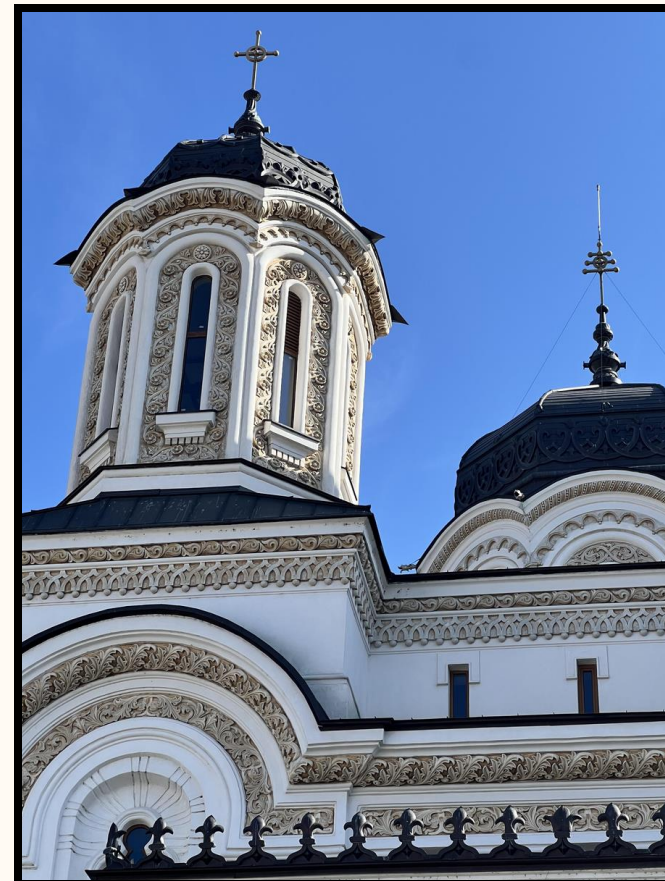

The professors are very helpful, and the
students are welcoming

DAILY LIFE

I've always loved going to the park for a picnic with friends
I also enjoyed visiting churches
and I was lucky enough to go to the Tulip Symphony with my
family, it was so colorful and absolutely beautiful

CULINARY DISCOVERIES

I've tried a lot of local
food.

My favorites are mici,
sarmale, and going to
Luca

TRAVEL AND LANDSCAPES

I visited Braşov, Sibiu, Bucharest, and
Ploieşti

My favorite part was driving through
Transylvania; the scenery was
breathtaking, and it snowed that day

CULTURE AND PEOPLE

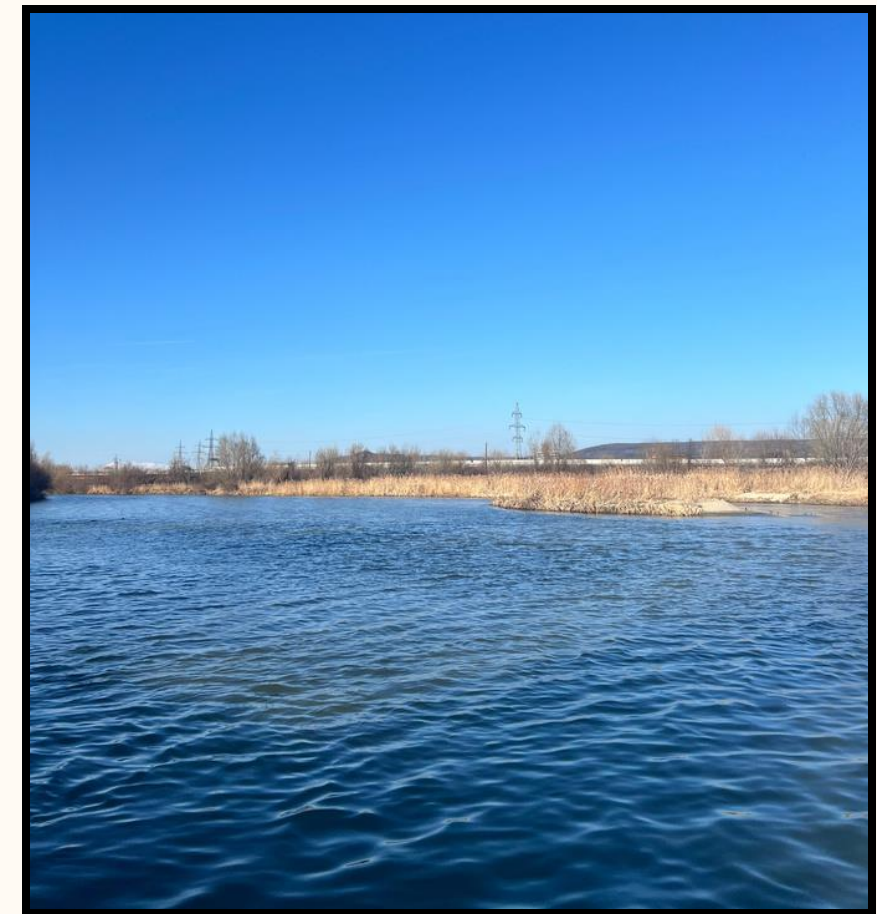

Romanians are very welcoming. they have a beautiful language with many words that are similar to French, which makes it easier for me to understand
It's a country where I felt safe and happy to be there

PERSONAL GROWTH AND CHALLENGES

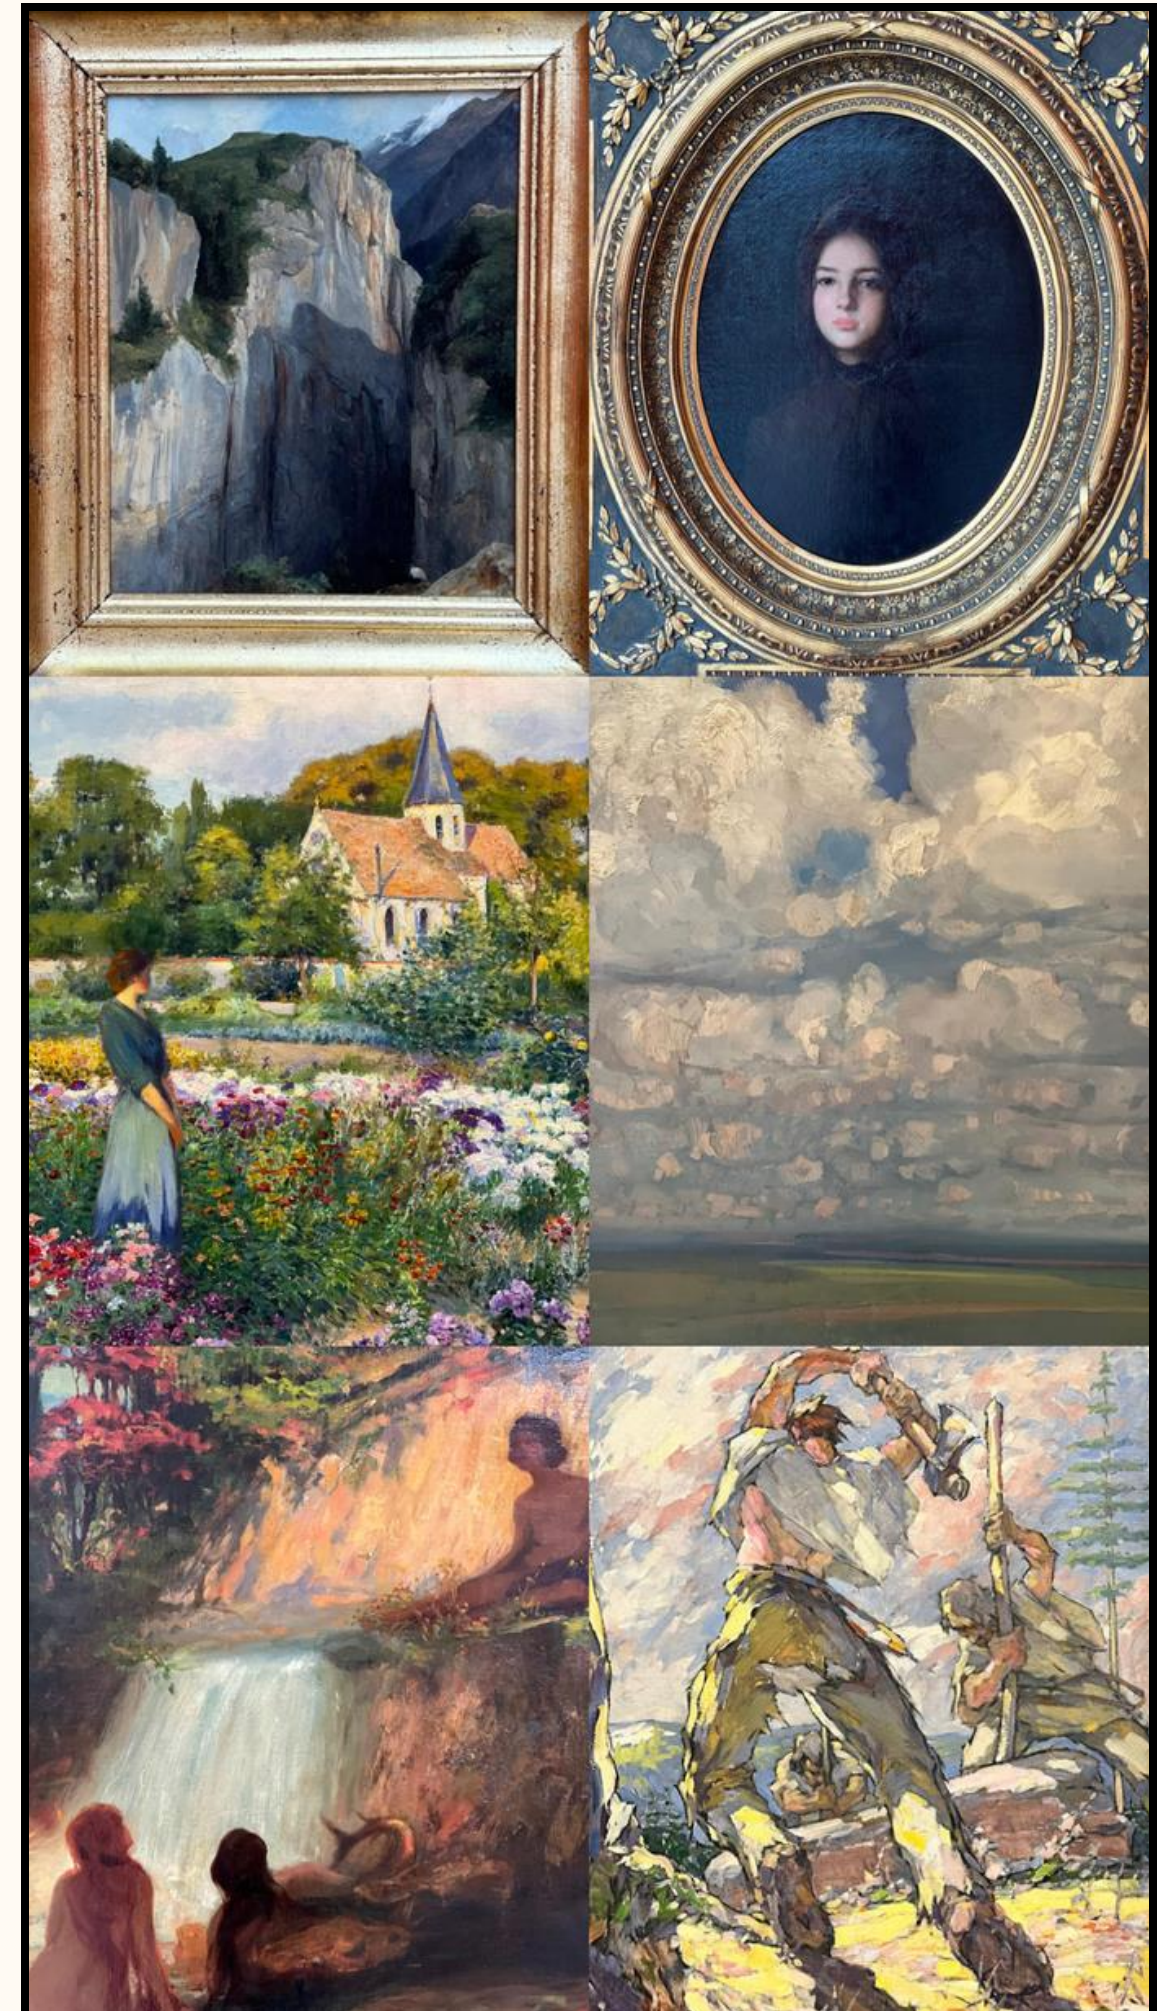

It's never easy to leave your home country for a few months. However, you quickly learn to be independent and resourceful

If possible, I'd like to work abroad after I finish my studies

CONCLUSION

Going on Erasmus to Pitești, Romania,
was a very enriching experience, both
professionally and personally
It's not always easy to be far from
family and friends, but it's a
tremendous privilege to go study in
another country

MESSAGE FOR FUTURE ERASMUS STUDENTS

Romania has a lot to offer, it's a
beautiful destination

Make the most of this moment, these
few months will fly by

You will cherish those moments and
the people you met forever

MULTUMESC
